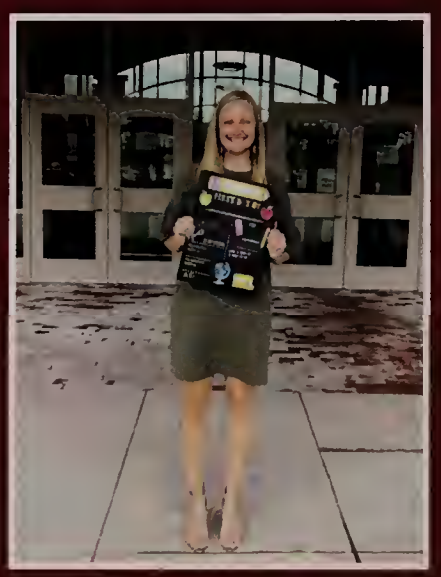
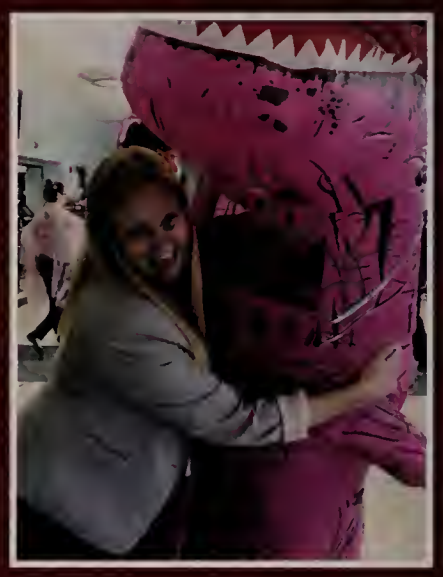
The Class of 2018 proudly dedicates this yearbook to...

Our Principal, Mrs. Gill





The 2018 school year marks Mrs. Gill's first year as Principal but her years of support, dedication, leadership, love, and passion have not gone unnoticed. Starting as a history teacher, she laid down the path which she would follow, becoming Assistant Principal, and now our Principal. Her peers, coworkers, and students greeted her with open arms and she has been nothing but exceptional. Starting at the beginning of the year Mrs. Gill brought the new idea of going " All in. Every Day" and we can truly say Mrs. Gill has put her all into every day for the students and staff of Silver Lake Regional High School. Even before students returned in the early fall, Mrs. Gill brought the attitude and energy of the school to a whole new level; getting the marching band to play as teachers walked in, bringing an ice cream truck to campus for a cool treat. She is someone who is all about the well-being of her students and coworkers around her. Thank you from the Class of 2018 for making our senior year the best it possibly could be and always bringing a positive outlook to Silver Lake!

Letters from your Principal and Assistant Principals

Dear Class of 2018,
You did it! I am so happy to congratulate each and every one of you on your achievement these last thirteen years. Your hard work, determination and focus will continue to drive you to success. Your enthusiasm will ensure your enjoyment and your kindness will be what makes a difference. Wherever you embark next, be it college, the Armed Forces, or the career path you choose, I hope you always remember to stay true to yourself. Be the very best version of yourself, respect yourself, and believe in yourself. You are more important than you could ever imagine!
All my best,
Mrs. Gill

Congratulations to the class of 2018! You have accomplished much in your time with us. I have enjoyed watching your successes in the classroom, on the athletic fields, in an array of school activities, and in the community. It is probably hard to imagine that you will now be alumni instead of students at Silver Lake. Now your journey truly begins. I wish you the best in all of your endeavors now and always.
Steven Blette
Assistant Principal

Dear Class of 2018, It has been an absolute pleasure sharing in your experience over the past four years. From academic achievements to your participation in activities and athletic events to watching the relationships you have formed, your class has shone in so many respects! As you leave Silver Lake, I hope that the lessons you learned both in and outside of the classroom continue to positively shape your experience as you move onto the next chapter in your journey. Remember to celebrate all that you and those around you have to offer the world. With best wishes
Mrs. Pratt

Letters from your Superintendents & Class Officers

As you enter this next chapter of your life always remember you have the power to make the world a better place. You have the potential to shine and to truly make a difference. Maintain our belief in your abilities with you. Know that you take with you fond memories and friendships to last a lifetime. Aim high and don't be afraid of an occasional misstep. Each opportunity is a chance to learn and grow stronger. Remain optimistic and strong and know the future is within your control and grasp. Continue to challenge yourself, be kind, and make the choices that help your dreams come true. Remember to " be kinder than necessary as everyone is fighting some kind of battle." JM Barry

Joy Blackwood: Superintendent
Jill Proulx: Assistant Superintendent

Dear Class of 2018,

Congratulations! We would like to thank you for all the memories you helped us create these last four years and for giving us the opportunity to be your class officers throughout our high school experience. It has been a pleasure putting on proms, dances, homecoming, tailgates, Mr. Silver Lake, female flag football, and many Moe's nights. We would like to thank you for all of your support and for making these past four years enjoyable, showing school spirit during pep rallies, and supporting our peers during athletic events as well as the various performances put on by our Drama department. We have worked hard to plan and execute events for both the class and the school as a whole to enjoy, and we are happy to have been successful. As we come to the end of our journey as classmates, we want to wish you all the best of luck in your future endeavors. Congrats!
Sincerely, Your Class Officers.

A message from the editors...

Cameron Daly, Hailey Rose, and Kirsti Ghelfi

As our four years at Silver Lake draw to a close, we wanted to send everyone off with something more than a yearbook. We hope that we have captured the memories we have created from our elementary schools all the way through our final months in high school. We have had the pleasure to be able to design a yearbook full of our wonderful events and years here at the Lake; baby days to elementary school to middle school and finally our senior year with everything in between. We want to thank our incredible advisors, Mrs. Fontaine and Mrs. McGovern for all their hard work and support into making the best yearbook possible and also to the class as a whole for sharing your memories with us so we could create something special. Good luck to the class of 2018 with whatever your future holds and may it be bright. Thank you for the memories Lake.

We appreciate everything our parents have done and continue to do.
